

VALENTIN BELLINI

Lugano, Switzerland (Available to relocate) | (+41) 76 753 9071 | Vbellini.es@gmail.com

Nationality: Spanish and Argentine | Date of birth: 05.07.1999

[GitHub](#) | [LinkedIn](#)

Electronic Engineer (M.Sc. equivalent) with experience in PLC programming, SCADA development, and industrial commissioning. Specialist in Siemens TIA Portal and industrial networks, currently leveraging Python and SQL to bridge the gap between operational technology and data-driven insights. Proven track record in project lifecycle management and client-facing technical consulting. Based in Lugano, native Spanish and advanced English speaker. Available to relocate and committed to learning other languages.

WORK EXPERIENCE

Automation Engineer | EPROC S.R.L. (01.2025 - 10.2025)

- Managed the full lifecycle of industrial automation projects within an Agile (Scrum) framework.
- Designed and programmed complex PLC systems using LD, ST, and SFC in TIA Portal, adhering to IEC-61131 standards.
- Developed customized HMI/SCADA interfaces in WinCC for real-time data acquisition, improving operator visualization and process monitoring.
- Acted as a technical liaison for clients, defining functional specifications and producing rigorous technical documentation.
- Executed on-site commissioning, VFD tuning, and provided critical on-call support to ensure 24/7 system reliability.

Teaching Assistant | Universidad Nacional de Rosario (01.2024 - 12.2024)

- Facilitated laboratory sessions focusing on logical thinking and control system design.
- Mentored students in Grafset (SFC) design and PLC programming within the TIA Portal environment

PLC Programming Internship | Maincal S.A. (07.2023 - 01.2024)

- Led an automation project that replaced oil heating systems with an automated electric system.
- Implemented Siemens S7-1200 PLC logic, resulting in increased thermal process performance and energy efficiency.

EDUCATION

Universidad Nacional de Rosario

Electronic Engineer (MSc-Equivalent) | 03.2019 - 07.2025

CERTIFICATION

- Google Data Analytics Certificate | Google - Udemy
- Advanced PLC Programming | Universidad Nacional de Rosario
- Enterprise Networking, Security, and Automation | Cisco Networking Academy
- Switching, Routing, and Wireless Essentials | Cisco Networking Academy
- Introduction to Networks | Cisco Networking Academy

SKILLS

- **Automation & Control:** TIA Portal (S7-1200/1500), Simotion SCOUT, IEC 61131-3, HMI/SCADA (WinCC), VFD Tuning, AutoCAD Electrical.
- **Industrial Networks:** Profinet, Profibus, Industrial Ethernet.
- **Data & Programming:** Python, SQL, Tableau, MatLab, Embedded Systems (C), Git/GitHub.
- **Methods:** Agile/Scrum, Project Documentation
- **Languages:** Spanish (native), English (advanced), Italian (A1)
